Top 10 Things to Add to Trustworthy

Five years and tens of 1,000s of Trustworthy members, we now know the top 10 must-have resources our members entrust to Trustworthy to keep their lives in order. Save yourself time, stress, and money by adding all 10.

- ☐ 1 **DRIVER'S LICENSE** - We'll even create an automatic reminder with a link to the DMV for your next renewal

- ☐ 2 **HEALTH INSURANCE CARD** - Be sure to share with your family members who may need it, too

- ☐ 3 **BANK ACCOUNT** - Upload a bank statement, and we'll fill in the details

- ☐ 4 **YOUR HOME** - Grab a mortgage statement, home insurance policy, or both

- ☐ 5 **PASSPORT** - You'll need it for booking flights, getting an emergency replacement, or as an alternative photo ID

- ☐ 6 **WILL OR MEDICAL DIRECTIVE** - Don't worry if it's only in hard copy. Scan it and send it to your Trustworthy Inbox using our mobile app (for [iOS](#) or [Android](#)) or a desktop scanner

- ☐ 7 **EMERGENCY CONTACTS** - More than one is always a good idea and will help fill in (coming soon!) Trustworthy-created instructions for emergencies, babysitters, and caregivers

- ☐ 8 **SOCIAL SECURITY CARD** - Remember to sign and to scan the back, too

- ☐ 9 **CAR** - Check your glove box for your registration card or auto insurance policy, and we'll automatically link it to your covered drivers

- ☐ 10 **CREDIT CARDS** - Add them all in case they are lost or stolen and you need those digits and phone numbers *fast*
